Real Estate Agent/Brokers/Property Managers - Not only are more markets writing this class of business, but they also provide forms with more enhancements. Some of the enhancements available include third party discrimination, lock box sub-limits, failure to report the existence of pollutants sub-limits, and up to 100% ownership interest. We have had much success placing all size of accounts. We can work on a small single home inspector, as well as large complex real estate franchise operations.
