

# AMW's Word on the Street

May 26, 2005

Haven't thought of us for your technology clients? The **Professional Liability Team** stays up to date on the **technology** marketplace with the TOP carriers to assist you. We have extensive knowledge and experience in placing these accounts and most recently gained an **appointment with Safeonline**. Safeonline is an online quoting program through Lloyds of London specializing in technology and media coverage lines. **Think of us** for the small start up consultant to the large complex technology company. Please call or email a team member to discuss an account or to get an application.

Haven't thought of us for **Contractors**? Well, you're in for a surprise! Our **Brokerage Team** has several markets for commercial builders including apartments! Whether it's assisted living facilities, dormitories, military housing or your average apartment complex we've got an option for you! Recently Gemini Insurance announced that they would write general contractors building new apartments up to 100 units in the entire project/complex. This is not limited to GCs only but is also available to **subcontractors** with no limitation on unit size/amount. They also will accept **new ventures**. Contact our casualty brokerage team today for a supplemental application.

Looking for Fun in the Sun this summer? Our **Underwriting Team** has markets for your upcoming **Special Events** including **LIQUOR!** Send over all of your Beer Gardens-Concerts-Sporting Events-Fundraisers-Weddings-Picnics-Arts & Craft Fairs with **MANY** more event types eligible! Extra days for the Set up and Tear down are covered. The UNDERWRITING UNIT has in-house quoting authority and we only need the special event application to quote. Download the form now and submit to any team member for a **FAST QUOTE TURN AROUND, GUARANTEED!!!**
