

AMW's Word on the Street

April 22, 2005

The **Professional Liability Team** has access to several premier healthcare markets in the industry. We strive to produce spectacular quotes ranging from doctors, nurses, physical therapists, to hospitals, assisted living homes and organ tissue banks. Think of AMW, Inc. for all you **medical and allied healthcare** needs.

The **Brokerage Team** has new options for **Owner Contractor Protective (OCP) Liability** popping up this spring. Recently James River entered with a new product providing coverage for the project owners only. Premiums start at \$7,500 for \$1M/2M limit policy and since coverage is project specific, the term of the project can run up to 15 months.

The **Underwriting Team** had great success last month in placing a large multi-state **Child Care Package** Account! This product is even **ADMITTED** in some states. Contact an Underwriting Team member for a **SPEEDY** quote after visiting our web-site for the applications. In **MOST** cases, we can provide terms within 24 hours!

The **Underwriting Team** is also pleased to introduce their new team member Jody Hall! Jody joins us as an Underwriter and is a great addition to our team!
