

Products Liability

If your client makes, distributes or sells a product ...

You should be thinking of Alexander Morford & Woo, Inc. A complicated product liability risk might scare some people away, but the experienced brokers at AMW will meet the challenge head on!

- Flexible liability coverages for manufacturers, importers, sellers or distributors for virtually any type of product
- Excess limits up to \$10mil readily available (up to \$25mil on most types of risks)
- Occurrence and Claims made forms available
- World wide coverage available

Comprehensive liability insurance for all types of products regardless of complexity or difficulty!

All types of risks considered!

- Risks with small receipts
- New products
- Medical & sports equipment; vitamins, drugs, supplements; automotive & industrial products, health & fitness products, etc.
- Risks with claims

Coverage Options

- Product liability only or GL including products
- Product Recall Expense coverage
- Can include Vendors coverage
- Excess product liability
- Products including clinical trials coverage

When your customer is asking if you can help, call AMW.
“We’ve got a policy for that!”
